

The National Academy of Sciences, India

5, Lajpatrai Road, Prayagraj-211002, India

Summary of the Activities, held in the month of July 2022

1. The Ministry of Environment, Forests and Climate Change (MoEFCC), GoI and Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH are jointly conducting a dialogue series – “Climate Dialogue Series 2022 – India”, under the Indo-German bilateral cooperation project on “Supporting the Institutionalization of Capacities on Climate Change Studies and Actions (ICCC)”. Chase India and Avian. This series aims to enable the exchange of knowledge, further climate research, and fuel science-based recommendation in initiatives taken to combat climate change. The programme has been curated to sensitize the audience comprising officials from different ministries of the Government of India, academia, civil societies, philanthropic institutions and think tanks on the topic. On invitation, **Prof Madhoolika Agrawal**, General Secretary (HQ), NASI, well known Environmentalist and Dean Science, BHU, Varanasi, participated/attended the **hybrid event** of ‘Climate Dialogue Series 2022 – India’ on **July 22, 2022**. The theme selected for the same was “**Renewable Carbon and Circular Economy**”, covering the topic “**Can the regenerative attributes of renewable carbon and circular economy bridge climate change mitigation and resilience strategies?**”
2. A few Science Communication Lectures were also delivered by the Fellows/Members/Officials of the NASI.
3. The prestigious NASI-SCOPUS Award is being resumed (after a gap of two years due to the pandemic); therefore, a meeting was held on 19th July, with the SCOPUS representative Mr. Manish Uniyal, who presented the proposed NASI-SCOPUS Award Scheme for the year 2022. After his presentation, it was decided to make announcement for inviting applications for the award in July 2022. This award is being given by NASI-SCOPUS since 2006; and being fully sponsored by the SCOPUS.
4. NASI received a number of nominations for its prestigious Fellowships; the crisp scientific details of the nominations have been uploaded on the websites of the NASI (<http://nasi.nic.in/password.htm>), for kind information/reference to the fellowship to provide their comments/inputs regarding the nominees.
5. The Academy has also received a number of applications/nominations for other prestigious awards, as NASI-Reliance Awards, NASI-Young Scientist Awards, Lecture Awards etc.; the selection process has begun, which would be completed in August 2022.

Several Chapters of the Academy also organised Science-Society Programmes of the NASI; the publication of the NASI-Journals (reference: **Annex. I, II & III**) also achieved their time-lines.
