Heartfelt Condolences

Dr. Manju Sharma
Past President, NASI
13th Feb.1940 – 31st Oct.2024

It is with profound sorrow that we share the sad news of the passing of the Esteemed Prof. Manju Sharma madam, a towering visionary, policy designer and revered mentor.

Words cannot truly capture the depth of our grief at the loss of a pioneer who transformed India's biotechnology landscape through her unwavering dedication to science, innovation, and institutional development. Prof. Sharma's legacy in policy-making and institution-building has left an indelible mark on India's scientific community, especially within NASI, where her influence and commitment inspired generations.

Prof. Sharma's wisdom, compassion, relentless drive for progress of the Academy will be deeply missed but will forever remain a guiding light for us all.

May her soul rest in eternal peace, and may her extraordinary contributions to science and humanity be forever remembered.

Our heartfelt condolences to her family and loved ones during this difficult time.

NASI FAMILY
