(Instructions for filling nomination paper for the election of the fellow/foreign fellow of the NASI)

Nomination papers for fellowship can be obtained by a fellow, free of cost, by writing to the Executive Secretary of the Academy at the address given above or the form may be downloaded from the NASI-Website- <https://nasi.org.in>

EXCERPTS OF REGULATIONS REGARDING ELECTION AND ADMISSION OF FELLOWS

1. Fellows, whose number shall not exceed 3000, will be elected on the basis of distinguished contributions to new knowledge and for promotion and application of Science & Technology for social welfare. They shall be elected on the basis of their scientific contributions in terms of documentation, publications, patents etc. However, everything being equal, special attention may be given to the women scientists. In case of scientists working in National Security Areas, e.g. DRDO/DOS/DOAE etc. their overall contribution to the progress of that field may be given special consideration.
In addition to Indian scientists and Overseas Citizens of India, distinguished Non-Resident Indians, having Indian citizenship, who have outstanding research work to their credit, may be nominated and be considered for the Fellowship of the Academy.
2. Up to a maximum of 4 Fellows may also be elected in the area of 'Science and Society' in any year in addition to the number of Fellows to be elected during the year.
3. A Fellow may nominate up to three candidates each year for election to the Fellowship of the Academy.
4. Nominations made for the Fellowship of the Academy shall remain in good standing for a period of five years.
A scientist whose nomination for Fellowship has remained in good standing for a period of 5 years and who is not elected during this period may be re-nominated after a gap of 2 years.
During the period that a nomination remains in good standing, it should be updated every year. The General Secretary (HQ) will write to one of the Fellows who have nominated the candidate to update the bio-data of the nominee.
5. Nomination papers would be received in the Academy by the 15th April every year, duly filled and signed, and addressed to the General Secretary, and no paper received after this date shall be considered in that year. If 15th April happens to be a postal holiday the next working day would be the last date.
6. Each candidate shall be nominated and seconded by a Fellow of the National Academy of Sciences, India. The proposer should preferably belong to the same field of specialization as the nominee; and he/she shall certify that he/she is personally acquainted with the scientific contribution of the candidate.
7. Any candidate, who canvasses for support for his/her candidature, shall be disqualified from election.
8. A list of scientists duly nominated with their qualifications shall be compiled from the nomination papers by the General Secretary and put on the website of the Academy; a hard copy would be sent to the members of the Scrutiny Committee, one month in advance.
The Fellowship Scrutiny Committee will scrutinize the nominations and shall send its recommendations to the Council. The Council will further scrutinize the recommendations of the Scrutiny Committee and shall have the power to delete any name from the list; but it can not add any new name.
The list approved by the Council shall be printed and circulated as a voting paper and sent out to every Fellow not later than the 15th August.
